WEDDELL SEAL

### KAYAK AMONG GLACIERS

These compact, pedal-operated vessels allow you to experience your breathtaking surroundings up close, with your hands free to film and photograph every moment. Note the distinct crackling sound that glacial ice makes as air bubbles trapped inside are released.

### PARTAKE IN A SHORE LANDING

Embark on a short, smooth zodiac ride to a pristine, snow-covered beach. Watch glaciers calve into the sea as seals nap peacefully nearby and penguins squabble while tending to their stony nests. This truly is a once-in-a-lifetime experience.

### EXPLORE MORE ON BOARD

As with all Viking ships, your expedition vessel doubles as a classroom. Attend a world-class lecture about your destination or join a Viking Resident Scientist for lunch on board before heading out on your next exciting shore excursion.

The use of our specialty outerwear and other expedition equipment — from trekking poles to binoculars — is included in your cruise fare, so you can experience each destination in depth and in comfort. Gear up for an enriching day of exploration ahead.

### OBSERVE YOUR DESTINATION
